## KEY FEATURES

**Night Owl CAB-100A: 100ft BNC Video/Power/Audio Camera Extension Cable with Adapters**

Night Owl's CABA-100 is a 100ft extension cable with audio that's compatible with all Night Owl DVR's and cameras. The cable extends the range of any Night Owl camera or any other camera that has industry standard BNC video connectors. The cable comes equipped with a BNC to BNC adapter to connect to your existing cables.

### 100ft BNC to BNC Video/Power Cable

This kit includes 100ft of Video/Power/Audio BNC to BNC coaxial cable and a BNC to BNC adapter for easy connection to your existing DVR and/or camera. The weatherproof housing allows for use indoor or outdoor.

### Audio

This camera extension cable carries Video, Power and Audio all on the same cable run making it easy to install.

### Expandable

Need to extend the cable over 100ft? Purchase a 2nd camera extension cable and connect them together using the supplied adapters. Expand the cables to up to 500ft. if necessary.

### Compatible with All Night Owl Systems

All Night Owl cables are compatible with every Night Owl DVR system. We utilize industry standard BNC connectors on all of our DVR's and cables. If you own a Night Owl DVR you never need to worry if the cable will be compatible.

### 1 Year Worry-Free Warranty

All Night Owl products come with a 1 year worry-free warranty. For a period of 1 year from the date of sale Night Owl ensures that the product will be free from manufacturing defects and workmanship. In the event that the product is or becomes defective we will replace the unit at no charge.

### Lifetime Customer Support

All Night Owl security products come with lifetime customer support via or website www.NightOwlSP.com or by phone 1-866-390-1303
